COMENIUS AWARDS

The Society for Pedagogy, Information and Media (GPI, non-profit organisation), a scientific society for multimedia, educational technology and media didactics, awards in 2016 for the 21th time annual Comenius EduMedia Awards to outstanding products among ICT-supported educational media. With the Comenius EduMedia Awards GPI supports again pedagogically, thematically and by design outstanding ICT-supported educational media in the 6th decade of its activities. The Comenius EduMedia Awards have been awarded in German speaking regions since 1995 and in all countries participating since 1997. Since then the Comenius EduMedia Awards became one of the most important awards for multimedia products in Europe. The awards are usually but not exclusively presented to publishing houses, institutions and authors who are developing, creating, publishing and disseminating outstanding ICT based educational products. The Comenius EduMedia Awards are honorary awards. They are not connected to any financial benefit for the winners.

AWARDS

- **Comenius EduMedia Seal of Approval**
- **Comenius EduMedia Medal**

MULTIMEDIA PRODUCTS

The Comenius EduMedia Seal of Approval and the Comenius EduMedia Medal honour outstanding ICT-supported educational media. Besides, the jury can award selected aspects of nominated works with the Comenius EduMedia Special Awards or Comenius EduMedia Supporting Awards. The Comenius EduMedia Awards are given in the following domains:

- **Didactic Multimedia Products (DMP)**
Didactically intended or directional multimedia products (CD-ROM, DVD, Internet supplied or hybrid multimedia products.)
- **General Multimedia Products (AMP)**
Didactically not intended or non-directional multimedia products (multimedia encyclopaedias, audio books, internet services, television, radio or theater projects)
- **Educational Management Systems (LMS)**
Platforms, networks, author's systems, interactive systems etc.
- **Computer games with potentials to boost competences (CKP)**
Computer games (maximal USK 16) supporting cognitive, medial, social and personality bound competence and sensomotor ability

EVALUATION AND AWARD PROCEDURE

For the assessment of the Comenius EduMedia Awards the following two step assigning procedure is applied:

1. Step: Comenius EduMedia Seal of Approval (Rating)

All submitted multimedia products are evaluated according to the quality criteria and evaluation procedures of the Institute of Education and Media of the GPI. All submissions that pass positively the evaluation for quality and functioning tests are awarded the Comenius Seal of Approval. At the same time they are nominated for the second stage for estimating the Comenius EduMedia Medal winners.

2. Step: Comenius EduMedia Medal (Ranking)

The jury decides to honour the best out of the Comenius EduMedia Seal of Approval awarded multimedia products with the Comenius EduMedia Medal.
